

## THE LENSIC LEGACY SOCIETY

When you include The Lensic in your financial and estate plans, you're making a tax-smart decision that will have long-term, far-reaching impact on the arts in Santa Fe. The options are many, and so are the benefits to you and your community.

To honor those who make planned gift commitments to The Lensic, we have created the Lensic Legacy Society. Those who make gift commitments by December 31, 2020, will be gratefully recognized as the society's Founding Members.

All members of the Lensic Legacy Society enjoy the following benefits:

- Name recognition on a plaque prominently displayed in the Lensic lobby
- Name recognition in public listings of key Lensic donors
- Invitations to private luncheons and other exclusive events each year

Many have already taken the important step and are proud to be Founding Members of the Lensic Legacy Society. As you consider joining us in making a legacy gift commitment to The Lensic, we extend our gratitude.
